

AVS Student Activities

Did you know that 25% of AVS membership is comprised of students? You represent the future of AVS and we encourage you to take advantage of the following opportunities and services:

Student Chapters

Meet future colleagues and employers and form friendships while sharing common interests in a range of science and technology topics during various chapter activities.

Student Awards

Apply for both a **National and Divisional Level Award**. National Student Awards include **five top-level awards and multiple Graduate Research Awards**. All AVS National Student Awards are presented during the Awards Ceremony at the International Symposium and **include travel support as well as a cash award**.

Career Services

Connect with the finest job seekers and companies in physics, engineering, vacuum science, and technology using the **AVS Online Career Center** which partners with the Physics Today, American Association of Physics Teachers, American Physical Society, and IEEE Computer Society.

Attend our annual **Onsite Career Center/Mini Job Fair** at the AVS International Symposium and Exhibition and **meet with potential employers and gain interviewing skills during the conference**.

Short Courses

Broaden your knowledge and develop new job skills by attending an **AVS Short Course**. Courses offer basic and advanced training in vacuum, materials, processing, and interfaces.

AVS Publications and Technical Libraries

Delve into our **four journals that cover a variety of materials, processing, and interfaces topics**—access is easy using the online **AVS Publications Digital Library** or **iAVS**.

No time to attend a talk? Discover our newest benefit in the **AVS Technical Library, Presentations on Demand** featuring recorded talks from AVS Symposia. The Technical Library also provides access to books, monographs, and other scientific resource materials.

Stay Connected

Join our online **Linked-In, Facebook** and **Twitter** communities.
